Wednesday 29th April 2026

Dear Parents/ Carers,

Dental Registration Initiative

We are pleased to inform you that our school is supporting the **Targeting Dental Access for Children (TDAC) pilot**, led by NHS North West London.

This initiative aims to ensure that all children are registered with an NHS dentist. Access to regular dental care is essential for preventing tooth decay, maintaining good oral health, and addressing issues at an early stage.

As part of this programme, there are three local practices involved:

- 130 Dental Centre (Hayes)
- Hayes Dental Practice
- My Dentist (Uxbridge)

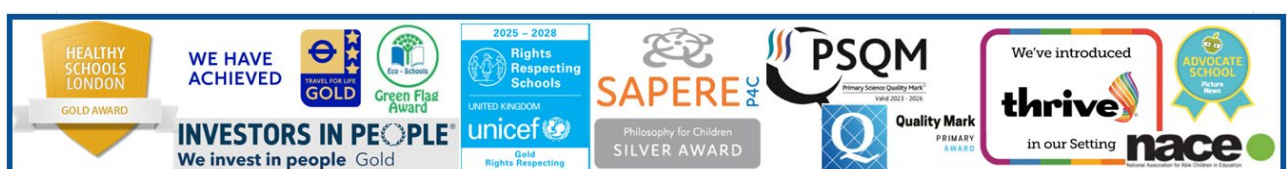

If you would like your child to be registered, please complete the registration form overleaf and return it to the school by **Friday, 15th May 2026**. We will forward completed forms to the dental practice, who will then contact you directly to finalise registration and arrange appointments.

This initiative supports our ongoing commitment to pupil health and wellbeing, and we encourage all families to take advantage of this opportunity.

If you have any questions, please contact the school office or your child's class teacher.

Yours sincerely,
Mrs Rizwan

Science Lead
