11th November 2025

Dear Parents/ Carers,

This year, Minet Junior School has made the decision to work towards Eco-Schools Green Flag accreditation. You can find out more about the Eco-Schools programme by scanning the QR code below. As part of the programme, we are delighted to be joining in with the national **Cut Your Carbon Month** initiative.

Throughout November, we are calling on all our pupils and their families to help tackle carbon emissions. Each pupil has received a Cut Your Carbon checklist containing six challenges to complete at home. As pupils and families complete each challenge, they can tick it off their checklist. Please ensure all sheets are returned by Friday 28th November to be tallied up and help determine our combined estimated carbon savings.

Participating in this initiative automatically enters our school into a national prize draw to win an incredible mural for our school. Additionally, the class with the highest number of checklist ticks will win a special treat.

Thank you for supporting this important project and helping our pupils learn how small actions can make a big difference to our planet.

Yours sincerely,

Minet Junior School
