Dear Parents,

## Year 4 Climate Change Workshop - Monday 17<sup>th</sup> March 2025

As part of our History and Geography topics this term, the children are going to take part in a workshop on 'Climate Change' on Monday 17<sup>th</sup> March 2025.

On this day, the children will explore the challenges faced by our environment and the significance of sustainability through a multitude of perspectives and settings. They will investigate how their actions and choices contribute to climate change and will learn ways that we can all make a positive difference. They will also develop their understanding that making positive choices can have a positive impact on our environment, health and wellbeing.

The total cost of the workshop is £5.70 which includes a session led by a professional actor, children become Planet Protectors, tackling real-world environmental challenges and discovering how they can make a difference together. They'll deepen their knowledge of the topic while building skills in critical thinking, oracy, creativity, and teamwork.

Please note: If we have insufficient funds to cover the costs, the workshop will be cancelled.

If your child would like to attend the workshop please make a payment of £5.70. Please complete payment on Parent Pay. Anyone not attending will continue with their usual school day.

If you have any questions, please do not hesitate to contact your child's class teacher.

Yours sincerely,

The Year 4 Team
