CE	<p>Red Nose Day is approaching!</p> <p>Children reminded to tell their class about Red Nose Day</p> <p>Discussed why we are raising money for Red Nose Day - links to UNCRF and looked at their website for more information</p>
CE	<p>Due to changes in the Red Noses from Comic Relief, we're not going to be selling noses. The noses this year are not recommended for children under the age of 7, are made of paper, and are more expensive than in previous years.</p> <p>We will think about alternatives for next year. Maybe face paint?</p>
