CE	What projects do we want to work on this term? Discussed the possibility of new fundraising opportunities.
CE	Children asked to remind their classes about handwashing and good hand hygiene as the caretakers have noticed that the soap dispensers are not being refilled often. Children will remind their classes to wash their hands with soap and water for 30 seconds. Suggested singing a short song: <ul style="list-style-type: none">- ABCs- Twinkle Twinkle- Happy Birthday
CE	Consult their classes for ideas for future meetings.

What I need to do:

- Remind my class about hand hygiene - wash your hands for 30 seconds with soap and water.
- Think of new ideas for school council to work on.
