2022-2023

Meeting Date: Thursday 3 November, 2022

Led By	Minutes/Notes
CE	Apologies for not meeting before the half term - parent's evening was scheduled for the same day as our meetings.
CE	The children checked to see who has badges. Children without badges will come see Miss Eynon to collect one tomorrow.
CE	We talked about playtimes and the playground. Sometimes children are not putting the equipment away. Create a group of children to be responsible for the equipment, playground equipment list, sign out system, problem-solving smaller issues on the playground
CE	What do we think of school dinners: <ul style="list-style-type: none"><li>- People aren't cleaning up after themselves</li><li>- Portion sizes?</li><li>- Is everyone eating their lunch?</li></ul> Packed Lunches: <ul style="list-style-type: none"><li>- How can we make lunches more healthy?</li><li>- Posters for healthy lunches</li></ul>

What I need to do:

- Check if my photo is on the display board by the hall. If it is not, let Miss Eynon know in the next meeting
- Create a poster for healthy packed lunches
