'Is it fair to judge others based on first impressions?'

Please discuss this question with your child. They can then share their family's ideas with the class. There are no right or wrong answers.

An all-girls football team has won a league dominated by boys' teams, after going unbeaten for an entire season. The Queens Park Ladies U12s finished top of their table with eighteen wins in the group of eleven boys' teams. They were the only girls' team in the Bournemouth Youth Football League, playing in its third division for under-12s. The players, who train twice a week, have now proved themselves against the other teams.

Things to talk about at home ...

- > Share your thoughts on why you think some other teams pre-judged the Queens Park Ladies U12s.
- > Have you ever experienced a time when someone has made an assumption about you that has been wrong or unfair?

Well Done Year 6!

You have all worked hard for your SATs. We are incredibly proud of your efforts and the resilience you have shown. Enjoy the half term!

Uniform contributes to the ethos of our school and gives the children a sense of identity.
